

Journal Name:	Asian Journal of Microbiology and Biotechnology
Manuscript Number:	Ms_AJMAB_12651
Title of the Manuscript:	Investigating the Microbial Contents of Bottled Zobo Drinks in Port Harcourt Metropolis
Type of the Article	

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Zobo drink is interested product, and work on the safety due to microbial contents isolation and identification are important part in this manuscript. According the results, the Zobo drink is not safe, because you found seven types of pathogenic bacteria. That is meaning zobo drink is not safe	
Is the title of the article suitable? (If not please suggest an alternative title)	Isolation and identification of microbial contents of bottled Zobo Drinks in Port Harcourt Metropolis	

<p>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</p>	<p>Abstract is covered all manuscript, I just have simple points on the manuscript to revise it</p>	
<p>Is the manuscript scientifically, correct? Please write here.</p>	<p>I do not believe the results are true, because zobo drink is dangerous and is not safe to drink (according to your results).If it is true you have to stoppage this product to drink it. The separation and isolation of bacteria need more test to be sure investigation the identification of seven pathogenic bacteria</p>	
<p>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</p>	<p>need more references and check the references in contents with the list of references I found some references in contxt and I did not find in the list of references.</p> <p>Need revise all manuscript by adding more references , remove some paragraphs which is repeated by another form.</p>	

<p>Is the language/English quality of the article suitable for scholarly communications?</p>	<p>Quality of language is not suitable, need to check it.</p>	
<p><u>Optional/General</u> comments</p>	<p>To support your data and results , you have to have some more references and comparision your results with previous researches... Your sample should empty of pathogenic bacteria, otherwise, you have to say zobo drink is not suitable to drink it or before drink it you have to treatmenet of zobo drink by sterilization, or any kind of food preservation to be safe your products. I found too many paragraphs without references, that is a worst thing in this manuscript.</p>	

PART 2:

	<p>Reviewer's comment</p>	<p>Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i></p>
