

**Editor's Comment:**

I went through 'Reviewers' Comments/Suggestions' and Revised manuscript. I observed that there are still certain errors in the revised manuscript as follows:

- (1) English throughout the manuscript is still not 'Flawless'.
- (2) The manner of citation in the running text is incorrect..such as:

I, therefore, suggest the authors to re-revise the manuscript accordingly, and resubmit it for further consideration towards the publication in AJOCR.
