<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.</b>	This manuscript contributes significantly to the scientific community by examining the impact of Total Quality Management (TQM) practices on organizational performance, using Julius Berger Nigeria Plc as a case study. It provides empirical evidence on how dimensions like top management commitment, strategic planning, employee teamwork, and continuous improvement influence organizational outcomes. The study bridges gaps in existing literature, particularly in the context of Nigeria's construction sector, and highlights actionable insights for improving managerial strategies. Furthermore, its findings serve as a valuable resource for researchers and practitioners aiming to optimize performance through effective TQM implementation.
